

# TIME TO TE

ONLY **YOU** CAN TELL US HOW LONG IT WILL TAKE

### Why Should I Volunteer?

Only you, our eyes and ears, can tell us how long it takes to vote using the new optical scan technology. With your help we can gather this information from as many voters as possible to improve the system for everyone. Oh, and you get a nifty free T-shirt.

### What Will I Do?

You'll ask voters to time themselves to see how long it takes them to vote—from standing in line to exiting the polling location—and two or three other questions. It's that simple.

## Where Can I Volunteer?

Time The Vote will have a presence at precincts across the county. You can sign up to volunteer at a precinct close to home or work and we will try to accommodate you. Or be adventurous and sign up for a random location.

# When Can I Volunteer?

Volunteer Observers are being recruited for Early Voting (August 11 - 24) and Primary Election Day (August 26). You can sign up to do as little or as much as you want.

### Alright, I'm In. How Do I Sign Up?

Simply fill out the volunteer form on the back of this flyer or in the email that contained this flyer. You can also email **TimeTheVote@gmail.com** to receive a form. Once we receive your form, we will assign you a training date and send you more information.
