

The "I Count!" Campaign Pledge

**The citizens will cast their vote, certain that each vote
is accurately recorded and that each vote is accurately counted.**

Broad participation of the people is essential to true election reform. The "I Count" movement is about power. Power is about making sure that every voice and every vote counts.

I, _____(NAME), hereby pledge to work in my community to ensure that all citizens can cast their votes and have them accurately counted. I dedicate myself to taking action in my local community to make sure this happens. I raise my voice along with the voices of hundreds and thousands across the United States to say, "I Count!"
